• James E. and Christina L. Orr Scholarship: Awarded to a full-time engineering undergraduate who demonstrates financial need, outstanding scholastic achievement and leadership qualities.

• Joseph N. Prentis Scholarship in Engineering: Awarded to a full time engineering student who has completed the sophomore year and is a U.S. citizen.

• Sheet Metal Workers Scholarship: Awarded to a student who is, or whose parents are, a member of the sheet metal industry local 105 or whose employer contracts with the sheet metal industry.

• Silent Hoist and Crane Materials Handling Prize Award Endowment: Awarded to an undergraduate or graduate, full or part-time student in Civil and Environmental Engineering with demonstrated financial need and at least a 2.5 Grade Point Average.

• Jay T. Strausbauh Memorial Scholarship: Full one-year tuition scholarship, awarded to a full-time Mechanical Engineering undergraduate with demonstrated financial need, high qualities of character and leadership, and a minimum 3.5 Grade Point Average.

• Mary G. Thompkins & O’Dell Thompkins Memorial Scholarship: Awarded to a first-year undergraduate female student, academically talented but otherwise unable to attend college due to financial constraints. Enrolled full-time in an engineering program with 3.5 Grade Pointe Average or better. Must be from the City of Detroit and have graduated from a Detroit High School.

• Testing Engineers & Consultants, Inc. Scholarship: Awarded to students in Civil and Environmental Engineering living in Wayne, Macomb or Oakland counties who are in need of financial assistance and have high academic achievement.

• USX Scholarship: Awarded to an undergraduate in Mechanical or Chemical Engineering and Materials Science (USX and Marathon Petroleum).

• Urban Land Consultants Scholarship: Awarded to a full-time Civil and Environmental Engineering student with academic achievement who resides in Macomb County.

• Viscomi Memorial Scholarship: Awarded to a graduating Chemical Engineering student who is pursuing the A-Grade program and is completing a senior research project.

• Werner F. Vogel Scholarship in Mechanical Engineering: Preference will be given to a part-time Mechanical Engineering student who demonstrates financial need, and desirable qualities of leadership, character and high scholastic achievements (must possess a 3.0 Grade Point Average).

• Frederick G. Weed Scholarship: Awarded to a full-time graduate student in Chemical Engineering based on scholastic achievements or desirable qualities of character, leadership, and financial need.

• The Marshall Family Endowed Scholarship: Awarded to full or part-time undergraduate students (accepted into the College's professional program) or graduate students who demonstrate academic achievement and financial need. Students with disabilities are strongly encouraged to apply for these awards. Awards may be used for tuition, books or other educational needs.

• John G. Wright Memorial Scholarship: Awarded to a full time Mechanical Engineering student who demonstrates financial need and outstanding scholarship and leadership qualities.

Scholarship Application can be found on the web at: www.eng.wayne.edu
An increasing number of scholarships are granted each year to undergraduate and graduate students in the College of Engineering. The scholarships differ greatly in their specifications: some stress high scholastics, others place emphasis on financial need or campus citizenship. Engineering students are also eligible for some of the general University scholarships granted each year.

Numerous loans and grants such as Grants in Aid and National Direct Student Loans are available through the Office of Scholarships and Financial Aid. For more information on these call 313-577-3378.

Inquiries about the college scholarships listed below, as well as other opportunities, should be directed to the Associate Dean for Student Affairs in the College of Engineering. You may also view information on our Web site at www.eng.wayne.edu.

- **Timothy Alexander Scholarship**: Awarded to a engineering student in the co-op program with a minimum 2.7 Grade Point Average, demonstrated financial need, and outstanding leadership qualities.
- **Albert R. Allison Memorial Fund in Electrical Engineering**: Awarded to a full or part-time student in Electrical and Computer Engineering with demonstrated financial need and a minimum 2.5 Grade Point Average.
- **Murray & Helen Altman Scholarship**: Awarded to a full-time undergraduate student majoring in engineering with demonstrated financial need and outstanding scholastic and leadership qualities.
- **Ferdinand G. Bolle Scholarship**: Awarded to a full-time or part-time undergraduate or graduate student who is a U.S. citizen with a 2.5 Grade Point Average and demonstrated financial need.
- **Accenture Merit Scholarship**: Awarded to a full-time engineering junior or senior who has a minimum 3.5 Grade Point Average and demonstrated leadership qualities.
- **Arthur Carr Memorial Scholarship**: Awarded to a full-time undergraduate of at least sophomore ranking with financial need and outstanding scholarship.
- **Charles Devlieg Scholarship**: Awarded to an undergraduate student based on outstanding performance and financial need.
- **Professor Ernest B. Drake Scholarship**: Awarded to a full-time student with junior or senior standing, majoring in Chemical and Materials Science Engineering, based on financial need, leadership qualities and a minimum 2.5 Grade Point Average.
- **Engineering Cooperative Scholarship**: Awarded to a freshman student in the co-op program.
- **Engineering Dean’s Scholarship**: Awarded to a full-time entering freshman student with a minimum 3.0 Grade Point Average.
- **Fiftieth Anniversary Engineering Alumni Scholarship Fund**: Awarded to a full-time, junior engineering student who is a U.S. citizen or permanent resident with a minimum 3.0 Grade Point Average and demonstrated financial need. Preference given to those demonstrating exceptional research work on an engineering project.
- **Ford Motor Company-Detroit Urban League Minority Scholarship**: Awarded to a graduate of a public high school in the cities of Detroit, Hamtramck, Highland Park, Inkster or Pontiac based on financial need, scholastics, character, leadership qualities, a minimum 3.3 Grade Point Average, and full-time status.
- **Howard M. Hess Scholarship**: Awarded to a student in the Division of Engineering Technology based on outstanding scholarship, character and leadership.
- **William R. Kales Memorial Scholarship**: Awarded to a full-time undergraduate engineering student who demonstrates financial need, has desirable qualities of character and leadership, and scholastic achievement.
- **Richard Robert Kaminski Memorial Scholarship**: Awarded to a full-time junior with a minimum 3.0 Grade Point Average.
- **Howard and Mary Kherl Scholarship**: Awarded to a full-time student who is a resident of Michigan with a minimum 3.0 Grade Point Average. Selection is based on scholastic achievement and financial need.
- **Gregory Kosmowski Memorial Scholarship**: Awarded to a full or part-time undergraduate engineering student who is a resident of Michigan and either a natural born U.S. citizen or of Polish-American descent.
- **Allen Kovacs Scholarship**: Awarded to a graduate student in Mechanical Engineering with a 3.0 Grade Point Average who is a U.S. citizen, and who graduated from a high school in Wayne, Oakland, Macomb or Monroe counties.
- **Charles Lewitt Scholarship**: Awarded to a full-time junior or senior in Civil and Environmental Engineering with a minimum 3.5 Grade Point Average.
- **Robert G. Wingerter Award**: Awarded to a graduating senior, selected on the basis of outstanding character, leadership, and academics.
- **John H. Morrison Memorial Scholarship**: Awarded to an undergraduate or graduate student, full or part-time, with a minimum Grade Point Average of 3.0 for undergraduate and 3.5 for graduate and financial need.
